

Friedrich-Ebert-Gymnasium

Europäisches Sprachensiegel 1999

Gymnasium der Stadt Bonn mit internationalem Profil

Bilingual deutsch-französischer Bildungsgang und bilingual deutsch-englische Bildungswege

Welcome!

It is a pleasure to welcome you to our homepage.

The Friedrich-Ebert-Gymnasium (FEG) is a public grammar school with over 1200 students.

Our profile is internationally orientated.

The FEG is the only grammar school in Germany that allows students to acquire either one or both of the two additional qualifications in addition to the German Abitur: the French Baccalauréate (Abi-Bac) and/or the International Baccalaureate (IB). Since two years now the Exzellenzlabel CertiLingua may also be acquired as well.

In 8th grade the students have a choice between the languages Spanish and Latin, in addition to English and French which are taught since 5th grade. This diversity is amongst others supplemented by the Japanese Work Group.

The possibility of learning foreign languages is facilitated at our school as our students are able to make practical use of their language abilities. Bilingual lessons and extensive exchange programs allow such practice.

We support the subjects of natural sciences with numerous competitions and experiments.

Furthermore we do not miss out on our artistic skills. Our students can cultivate their dancing, singing and acting potentials.

We also offer different projects in respect to the occupational choice and individual encouragement of our students.

School starts at 7:45 am. The end of the school day varies, depending on the personal schedule, however the afternoon classes end at 3:35 pm.

During the one hour lunch break, the children can rest in the classrooms, play on the school yard and eat in the cafeteria.

If you are interested in more information, please do not hesitate to call our secretary office under +49(228) 77 75 20. There you can arrange an individual appointment.

We look forward to your visit!

Enclosed you will find some examples of English reports written by students :
